**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Tell the FCC why you choose a competitive provider.  
For lower price!

OR if you are stuck with just one or two providers, tell the FCC why you want more competition!  
because price is high!

Say NO to price hikes that will increase the cost of internet and telephone services.  
NO

Tell them why broadband is critical to your home, business or school.  
We have kids and it is the best information resource

If you have fiber today but were previously connected with competitive DSL, mention this!  
i don't know if i do have fiber

If you have competitive telephone service, mention this too.  
pretty competitive

Do you live in a rural community? Tell the FCC why local broadband providers are so critical.  
we live in the middle of a big city

Please let competitors use the infrastructure!
